Subject: Bloxham

Good Morning,

I live on the A361 in Bloxham and have lived here for more than 18 years.

I object to the further development of the village (Gladman development) as the village has had too many new houses in the last 5 years.

The traffic levels are awful, it is very difficult getting a doctor's appointment, the village is full to capacity.

I chose to live in a village not a town.

Best Wishes

Marina Brounger
