Dear Ms Taylor,

I am appalled and worried to hear about yet more unwanted housing developments in Bloxham. I have lived here for over 5 years now and have seen a rapid decline in the area caused by more and more housing developments without any investment in new infrastructure, such as local hospitals, schools, playing fields, police etc.

I have also seen a noticeable increase in traffic on the A361 with some days traffic jams in and around Bloxham. There has been an increase in crime (House thefts) in the area.

I am afraid that if council implements this unwanted scheme purely for monetary gain I will never vote for the current council again and will be seriously considering leaving the area. Quite apart from the lack of infrastructure, Bloxham was a country village for hundreds of years - you and your colleagues are intent on turning it into a high density, urban annex of Banbury.

Kind regards,

Patrick
