Subject: New comments for application 19/01705/OUT

New comments have been received for application 19/01705/OUT at site address: Land Adjoining And West Of Bloxham Recreation Ground South Newington Road Bloxham

from Tania Sherahilo

Address:

The Old Manor, Little Bridge Road, Bloxham, Banbury, OX15 4PU

Comment type:

Objection

Comments:

I do not believe Bloxham's infrastructure can cope with this expansion.

We recently moved to Bloxham to start a family. The primary school is already full and I believe cannot be expanded.

The main road through the village is extremely congested in the morning and in the evenings, with traffic back up a long way through the village. The mini-roundabout is already beyond capacity. The proposed development would bring significantly more cars (~150), adding to the congestion and pollution levels. It is additionally outside the building line and contrary to the Neighbourhood plan. I am also concerned about its encroachment on the recreation ground - a valuable asset in a village such as ours.
