Subject: Planning application on South Newington Road, Bloxham

Reference 19/01705/OUT

Dear Sirs

I am in objection to more building in Bloxham as I think the village has enough houses been built already. This is a flood area and very important nature reserve which I have supported over many years. The reserve is small and needs the surrounding fields to support the wildlife.

Please give this reserve a chance to survive. Over the years a lot of volunteer work has gone into creating bridges over the wet land to make it a nice area for the village people to walk around and flora and fauna to have safe habitat. It supports a lot of wildflowers and if surrounded by noise from houses will not survive.

Yours faithfully

Elizabeth Lane
