Subject: Re: More Development at Bloxham

Certainly my full address is :- 29 Aldous Drive
Bloxham
Banbury
OX15 4FP

With so many extra people in Bloxham already a more frequent bus service would also be welcome.-- Eric Catchpole

I call your attention to the inability of the primary school to accept more pupils because of inadequate space and facilities. There is also the traffic burden placed on the A361 through Bloxham. it's high time that the traffic congestion through the village was given some planning and funding instead of choosing the easy path of allowing developers to grab land to boost their profits without regard to the provision of basic social needs of the community. Only Cherwell DC can look after that and there seems little ability or desire

to do it. So lets earmark some of this land for schools and similar social needs or we will build an urban sprawl with little social cohesion.
