Subject: New comments for application 19/01705/OUT

New comments have been received for application 19/01705/OUT at site address: Land Adjoining
And West Of Bloxham Recreation Ground South Newington Road Bloxham

from John Webb

Address:

6 Chipperfield Park Road, Bloxham, Banbury, OX15 4NX

Comment type:

Objection

Comments:

The proposed development would add add least 150 cars to the current traffic flow which is now saturated at peak times and increase pollution levels even more, contradicting BL9 of The Bloxham neighbourhood Plan.

The primary school is full with no possibility of expansion so this very fact means that the development cannot comply with BL9 of the plan or with NPPF 94 of the National Planning Policy Framework regarding the provision of primary school places for new residents.

This proposed development will not respect BL11 of the Neighbourhood Plan which says that all developments should make a positive contribution to the character of Bloxham and its rural feel. For these reasons I object to this application and strongly urge you to refuse it.
