Dear Ms Taylor

Re: 19/01705/OUT

Having witnessed yet another very dangerous situation on the A361 opposite Goose Walk on the very narrow footpath by Tony Baldry's house in Bloxham, I consider it absolutely essential that any decision makers visit Bloxham and stand at this site during rush hour and, in particular, when schoolchildren are walking home.

Developers cannot continue to pretend to offer schoolchildren and people with disabilities safe pedestrian/wheelchair access to schools and medical services along the A361.

Will it require a fatal accident to convince the powers that be?

Yours sincerely

Mary Groves
