Subject: New comments for application 19/01740/HYBRID

New comments have been received for application 19/01740/HYBRID at site address: Land Adj To Promised Land Farm Wendlebury Road Chesterton

from Andrea Edwards

Address:

5 Wear Road, Bicester, OX26 2FE

Comment type:

Objection

Comments:

This area is already a bottleneck and the park and ride roundabout is dangerous enough without the extra traffic entering and leaving towards Wendlebury Road.

There is already a large area the other side of the garden centre that is ready for development and has remained empty for years. This proposed development should be part the development between Tesco and the garden centre. There is no need for further development into a rural area which is bringing extra traffic and noise to the village of Wendlebury.
