Dear Bernadette

Thank you for consulting the Conservation and Design Team on the above applications.

Both applications impact on the Scheduled Ancient Monument of Alchester Roman Town and its associated setting. In this instance the scheduled monument comprises predominantly below ground archaeology and as Cherwell District Council does not have any specialist archaeological advisors we would defer to the advice provided by Historic England and Oxfordshire County Council Archaeological Advisors.

Please do not hesitate to contact me if there are any additional issues you believe we can assist with.
