Subject: FW: Planning notification for application reference: 19/02337/F

Dear Andrew,

I refer to your letter (by email) on 4th November 2019 consulting the County Council as Mineral and Waste Planning Authority for planning application 19/02337/F

Proposal: Demolition of Building 457 southern facade and gable end walls. Temporary use and associated works to create public open space.

Location: Building 457, Village Centre South, (Phase 2), Heyford Park, Camp Road, Upper Heyford, Bicester, OX25 5HD

The proposed development is within a mineral consultation area. It is not in within the Strategic Resource Area nor in a safeguarding designated zone.

Due to the nature of the development, we would not consider that the proposed development would have a detrimental impact on the extraction and reserve of minerals and on significant mineral resources and therefore we have no objection to the proposed development.

If you have any questions, please do not hesitate to get in contact.

Kind Regards

Anna
