<b>Comments</b>	<input type="text" value="I would like to know when this project is actually going to be finished? We moved into Heyford Park 5 years ago last week. When we bought our house from Bovis we were told the shops, pub and all the other amenities would be finished in around 18 months. We then had a leaflet from the door from Dorchester stating it would be completed by December 2016. 5 years later we still have nothing. The village is like a building site with constant noise and mess, there is nowhere to socialise and we have not had anything we have been promised. It would be fantastic to finally have a pub to meet our friends and neighbours and will also help to increase house sales for the area."/>
