

Cherwell
DISTRICT COUNCIL
NORTH OXFORDSHIRE

NOTICE OF DECISION

TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)

Name and Address of Agent/Applicant:

Mr Paul Burrell
Pegasus House
Querns Business Centre
Whitworth Road
Cirencester
GL7 1RT

Full Planning Determination

Date Registered: 21st October 2019

Proposal: Demolition of Building 457 southern facade and gable end walls.
Temporary use and associated works to create public open space.

Location: Building 457, Village Centre South, (Phase 2), Heyford Park, Camp Road, Upper Heyford, Bicester, OX25 5HD

Parish(es): Heyford Park

PERMISSION FOR DEVELOPMENT SUBJECT TO CONDITIONS

Cherwell District Council, as Local Planning Authority, hereby **GRANTS** planning permission for the development described in the above-mentioned application, the accompanying plans and drawings and any clarifying or amending information, **SUBJECT TO THE CONDITIONS SET OUT IN THE ATTACHED SCHEDULE.**

The reason for the imposition of each of the conditions is also set out in the schedule.

Cherwell District Council
Bodicote House
Bodicote
BANBURY
OX15 4AA

David Peckford

Assistant Director – Planning and Development

Date of Decision: 19th June 2020

Checked by: Samantha Taylor

SCHEDULE OF CONDITIONS

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason : To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development shall not be carried out otherwise than in complete accordance with the approved plans: Site Location Plan D.0371_15, Existing Site Plan D.0371_16 Rev A, Demolition Plan D.0371_17 Rev A and Detailed Landscape Proposals D.0371_19 unless a non-material or minor material amendment is approved by the Local Planning Authority under the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended).

Reason : To clarify the permission and for the avoidance of doubt.

3. No development shall take place until the existing tree(s) to be retained as shown on the approved plans have been protected in the following manner unless otherwise previously agreed in writing by the Local Planning Authority;

- a) Protective barriers shall be erected around the tree(s) to a distance not less than a radius of 12 times the trunk diameter when measured at 1.5m above natural ground level (on the highest side) for single stemmed trees and for multi-stemmed trees 10 times the trunk diameter just above the root flare.
- b) The barriers shall comply with the specification set out in British Standard BS5837:2012 'Trees in Relation to Construction – Recommendations' that is steel mesh panels at least 2.3m tall securely fixed to a scaffold pole framework with the uprights driven into the ground a minimum of 0.6m depth and braced with additional scaffold poles between the barrier and the tree[s] at a minimum spacing of 3m.
- c) The barriers shall be erected before any equipment, machinery or materials are brought onto the site for the purposes of demolition and shall be maintained until all equipment, machinery and surplus material has been removed from the site.
- d) Nothing shall be stored or placed within the areas protected by the barriers erected in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavations be made, without the written consent of the Local Planning Authority.

Reason : To ensure the continued health of retained trees/hedges and to ensure that they are not adversely affected by the construction works, in the interests of the visual amenity of the area, to ensure the integration of the development into the existing landscape and to comply with Policy ESD15 of the Cherwell Local Plan 2011 – 2031 Part 1, Saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework. This information is required prior to commencement of the development as it is fundamental to the acceptability of the scheme.

4. No development shall take place until a method statement for carrying out the demolition work hereby approved, including details of the arrangements for the recording, preservation and storage of salvaged materials to be re-used in any future development proposals on the site, has been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out and salvaged materials stored in accordance with the approved method statement thereafter.

Reason : To safeguard the preservation and reuse of historic building fabric and to comply with Policy ESD15 and Villages 5 of the Cherwell Local Plan 2011-2031 Part 1 and Government guidance contained within the Section 16 of the National Planning Policy Framework. This information is required prior to commencement of the development as it is fundamental to the acceptability of the scheme.

5. Notwithstanding the approved plans, a revised and fully detailed scheme for landscaping the site shall be provided to and approved in writing by the Local Planning Authority which shall include:-

(a) details of the proposed tree and shrub planting including their species, number, sizes and positions, together with grass seeded/turfed areas and written specifications (including cultivation and other operations associated with plant and grass establishment i.e. depth of topsoil, mulch etc),

(b) details of the existing trees and hedgerows to be retained as well as those to be felled, including existing and proposed soil levels at the base of each tree/hedgerow and the minimum distance between the base of the tree and the nearest edge of any excavation,

(c) details of the hard landscaping including hard surface areas, pavements, pedestrian areas and steps,

(d) details of the boundary treatments including height, materials and finished appearance,

(e) details of any outdoor furniture such as seating, artwork, sculptures, platforms, and refuse bins.

Such details shall be provided within one calendar month of development commencing, or such alternative time frame as agreed in writing by the developer and the Local Planning Authority. The approved scheme shall be implemented in full by the end of the first planting season following commencement of the development.

Reason : To ensure that a high quality landscape scheme and public open space is provided in the interest of well planned development and visual amenity and to accord with Policy ESD15 and Villages 5 of the Cherwell Local Plan 2011 – 2031 Part 1, Saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

6. Within one calendar month of development commencing, details of a public information board to be provided on the site displaying information about the history of Building 457 and the area surrounding the former Parade Ground to the south, shall be submitted to and approved in writing by the Local Planning Authority. The approved information board shall be installed by the end of the first planting season following commencement of the development and retained and maintained as such thereafter.

Reason : To promote understanding of the heritage of the site and surrounding area, to comply with Policy ESD15 and Villages 5 of the Cherwell Local Plan 2011-2031 Part 1 and Government Guidance contained in the National Planning Policy Framework.

7. All planting, seeding or turfing comprised in the approved details of landscaping shall be maintained for a period of 5 years from the completion of the development. Any trees and/or shrubs which within a period of five years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent for any variation.

Reason : To ensure that the agreed landscaping scheme is maintained over a reasonable period that will permit its establishment in the interests of visual amenity and to accord with Policy ESD15 of the Cherwell Local Plan 2011 – 2031 Part 1, Saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

DEVELOPMENT MONITORING

The Council has identified the development hereby approved as one that it considers appropriate to monitor during construction. We would therefore be grateful if you could let us know of your intention to start the development at least 14 days prior to the commencement of work on site. You can do this by emailing the Council on: monitoring@cherwell-dc.gov.uk and providing us with the following information: application number; application address; and the date you intend to start the development. During the monitoring period, we will be assessing the development against the approved plans, and compliance with any conditions imposed on the permission. It is in your interest to comply with this request as it will help to avoid any unnecessary, and possibly expensive, corrective works.

PLANNING NOTES

1. **Conditions** – the applicant's attention is drawn to the need to comply with all conditions imposed on this permission. Failure to do so could result in the council serving a breach of condition notice against which there is no right of appeal.

Under the Town and Country Planning (Fees for Applications, Deemed Application, Requests and Site Visits) (England) Regulation 2012 there is a fee payable each time you make a request to discharge any of the conditions attached to this permission. You can apply to discharge more than one condition at the same time. At the time of this decision the fee is £34 per request for householder development and £116 per request in all other cases. The fee may be more when you come to apply for the discharge of condition if the Regulations have been amended. The fee is payable when you submit the details to discharge the condition(s). The Council has '1app' forms for such applications, but their use is not mandatory.

The Council has eight weeks to respond to applications to discharge conditions, so you will need to make your application in good time before commencing development.

STATEMENT OF ENGAGEMENT

In accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) and paragraph 38 of the National Planning Policy Framework, the Council has worked positively, creatively and proactively to determine this application within the agreed timescales, having worked with the applicant/agent where necessary and possible within the scope of the application (as set on in the case officer's report) to resolve any concerns that have arisen, in the interests of achieving more appropriate and sustainable development proposals. Consent has been granted accordingly.

The case officer's report and recommendation in respect of this application provides a detailed assessment of the merits of the application when considered against current planning policy and guidance, including consideration of the issues raised by the comments received from consultees and members of the public. This report is available to view online at: <http://www.cherwell.gov.uk/viewplanningapp>.

NOTICE OF DECISION

TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)

NOTES TO THE APPLICANT

TIME LIMITS FOR APPLICATIONS

By virtue of Sections 91-96 of the Town and Country Planning Act 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004, planning permissions are subject to time limits. If a condition imposing a time limit has been expressly included as part of the permission, then that condition must be observed. Otherwise, one or other of the following time limits will apply:

Where planning permission is given in outline subject to a condition reserving certain matters for subsequent approval, application for approval of such matters reserved must be made not later than the expiration of 3 years beginning with the date of the outline planning permission and further the development to which the permission relates must be begun not later than the expiration of 2 years from the final approval of the reserved matters or, in the case of approval on different dates, the final approval of the last reserved matters to be approved.

Where the planning permission is complete and is not in outline, the development must be begun not later than the expiration of 3 years from the date on which permission was granted.

OTHER NECESSARY CONSENTS

This document only conveys permission or approval for the proposed development under Part III of the Town and Country Planning Act 1990 and you must also comply with all the bye-laws, regulations and statutory provisions in force in the District and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 (as amended), or other legislation.

In particular you are reminded of the following matters:

- The need in appropriate cases to obtain approval under the Building Regulations. **The Building Regulations may be applicable to this proposal. The Building Regulations may be applicable to this proposal. You are therefore advised to contact the District Council's Building Control Manager before starting work on site - Telephone: 01295 227006. Email: Building.Control@Cherwell-dc.gov.uk**
- The need to obtain an appropriate Order if the proposal involves the stopping up or diversion of a public footpath.
- Data supplied by the National Radiological Protection Board (NRPB) and the British Geological Survey (BGS) suggests that the site of this application falls within an area which is potentially at risk from radon. This may require protective measures in order to comply with the Building Regulations if your consent relates to a new dwelling or house extension. Further advice on whether protective measures are required under the Building Regulations can be obtained by contacting the Building Control Manager on 01295 227006 or E-mail at building.control@cherwell-dc.gov.uk
- The need to obtain a separate "Listed Building Consent" for the demolition, alteration or extension of any listed building of architectural or historic interest from the Local Planning Authority.
- The need to make any appropriate arrangements under the Highways Act in respect of any works within the limits of a public highway. The address of the Highway Authority is Oxfordshire County Council, Speedwell House, Speedwell Street, Oxford, OX1 1NE.

- It is the responsibility of the applicant to ascertain whether their development affects any public right of way, highway or listed building.

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Local Planning Authority to refuse to grant planning permission or grant planning permission subject to conditions, you can appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990.

If you wish to appeal, then;

- For **Householder** applications you must do so within **12 weeks** of the date of the decision
- For **Minor Commercial** applications you must do so within **12 weeks** of the date of the decision
- For **all other types** of planning applications, you must do so within **6 Months** of the date of the decision

Unless;

- The decision on the application relates to the same or substantially the same land and the development is already the **subject of an enforcement notice** then you must appeal within **28 days** of the date of the Local Planning Authority's decision on the planning application.
- If an **enforcement notice is served** relating to the same or substantially the same land and development as in your application and if you want to appeal the decision, then you must do so within **28 days** of the service of the enforcement notice, or 6 months (12 weeks for householder and minor commercial) of the date of this decision whichever is the sooner

Forms can be obtained from the **Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Tel (0303 444 5000) Or online at www.planningportal.gov.uk/pcs**. The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to them that permission or approval for the proposed development could not have been so granted otherwise than subject to the conditions imposed by the Local Planning Authority, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by them.

PURCHASE NOTICES

If either the Local Planning Authority or the First Secretary of State grants permission or approval for the development of land subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the District Council. This notice will require the District Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

COMPENSATION

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is granted subject to conditions by the Secretary of State on appeal or on reference of the application to them. These circumstances are set out in the Town and Country Planning Act 1990 as amended by the Planning and Compensation Act 1991.
