## Comment for planning application 19/02350/OUT

Application Number	19/02350/OUT	
Location	Land at Deerfields Farm Canal Lane Bodicote	
Proposal	Outline planning permission for 27 dwellings including Access	
Case Officer	Samantha Taylor	
Organisation		
Name	E Houston	
Address	2 Mayweed Road,Banbury,OX15 4TF	
Type of Comment	Objection	
Туре	neighbour	
Comments	I strongly object to this development. On moving to this property I was told that no one would be building on the land which was one of the main reasons we decided on this location. My 1 year old son has recently been diagnosed with hypersensitive airways and having building work so close to my property and loosing the trees will effect the air quality and this is a great concern. The building works had already moved on down the road by the time we had moved in but even then my son suffered. Building so close is a huge worry. Also the noise disruption would definitely not be welcomed. I am one of 4 houses on my row who have small children. We will all be affected. To add to this our little road will become a entrance to the new homes making our little area of road extremely unsafe for our children. We do not have fenced front gardens or curbs to highlight where the road is. It would make outside our homes unsafe. On top of this we will loose natural light to our homes. Silverweed does have a cubed pave but not suitable for buggies. Silverweed will become busier and making its far more hazardous. Currently we have to use the road with the pram but because it's such a quiet no through road it's not huge concern. I feel that developers need to concentrate on fixing the problems with houses that already have people living in rather then building more. So many of us are living in incomplete homes or streets. We don't even have street lights or road/parking markings yet not to mention the missing road sign and door numbers.
