<b>Comments</b>	<p>I object to this application of 27 houses being built. Firstly, the hedgerow between the farm and Merlin Close is a natural form of habitat for much wildlife. It also provides privacy. Secondly, further new dwellings would exacerbate this drainage/flooding problem due to the inevitable increase in impermeable surfaces. This is already a problem in Merlin close. Thirdly, The noise and dust from such a project is too much to cope with. For four years we have had to deal with these problems and enough is enough. And finally, Canal lane is bridle way which is a key route to schools or local facilities and that are used by many people for daily commuting Journeys. The Lane is used by schoolchildren and commuters. Canal lane is too narrow with no lighting, and no pathways.</p>
