Comments	<input type="text" value="This is an extremely bad idea! I use this road every day to take my daughter to Bishop Loveday Primary School, as it is currently safer than walking up Longford Park Road, and it is already a difficult road to navigate. The road itself should first be widened and a proper footpath installed. Furthermore, Silverweed Road is currently a safe street for my children to play on. With the additional works traffic coming in and out, that would no longer be the case, as they don't exactly have a good reputation on the estate for their courteous driving anyway."/>
