Comments	<input type="text" value="As a resident in The Maltings I am responding to the comment made by Mr Morris on 06/01/2020 regarding flooding - On 15th Nov (photos supplied) the barn area at the back of Resthill house totally flooded and consequently overflowed in to my back garden. There has also been flooding overflow in to my garden in previous years which in turn flooded to Picket Post garden. The barn area flooded again on 20th December 2019 (photo previously submitted) These episodes of flooding are not unique, these can be a regular occurrence if we have heavy rainfall."/>
