Comments	<input type="text" value="Bodicote Parish Council objects to this application for a number of reasons. Surface water drainage does not appear to be addressed. Access to a public sewer network does not appear to be available. Access issues via Canal Lane which is a bridleway and in need of repair. Additional traffic on the bridleway would result in damage to hedgerows and verges. Concern that the proposed pedestrian and cycleway access from the new development onto Canal Lane would require measures to prevent vehicles and scooters accessing it."/>
