Dear Samantha

Martina O' Byrne of the Maltings, directly next door to the Barn of Deerfields Farm on Canal Lane sent me the attached flooded photo taken on 16/02/2020. I asked her to email you directly with her concerns, as she is going away this week I don't know if she has.

I have looked at the Cherwell DC Planning Meetings online, seen they are on 12 March and 16 April, but I'm unable to find out if this application will go before them and when. If you are able to help I would be grateful.

Regards  
Wendy Jackson.
