Comments	<input type="text" value="I strongly object to this proposal, we have always been told that absolutely no new homes would be built on this farming land!! We are also exstreamly concerned about the extra traffic these houses will bring added noise pollution loss off natural sunlight to our garden & home & privacy to our home loss of water pressure and extra noise while being developed!!! also I'm confused as to why this is even being suggested as there is still no shop doctors Surgry or community centre on Longford Park as original promised years ago, our road is still not even finished and looks a mess, I think these issues need to be seriously addressed first."/>
