<b>Comments</b>	<input type="text" value="Launton Parish Council considered planning application reference 19/02550/F at the meeting on 5 December. The Council resolved to object to the development on the grounds that it would cause considerable harm and would be of great detriment to local area amenity land. The site was not specified for any form of development in the Local Plan. The Council also objected on the grounds of the inappropriate siting of the development in a green field area with unsuitable road access which would compound the already significant traffic issues in and around Bicester. The Council also had concerns about the water usage and treatment. It was believed that the harm to the area greatly outweighed any perceived benefit to the community."/>
