

Mrs C.M. Auger 22, Banksburyong,
14.12.19 Chesterton,
Mr. Bicester,
OX26 1UG.

Dear sir/Madam, This application
does not accord with the
local development plan
at all.

It most certainly will not
give any ~~economic~~ benefit to
the local economy.

What use is a nine hole
Golf course to local players.

It will also impact on
wildlife and the traffic (which
is bad enough already) through
what should be a quiet post
P.T.O.

of the Oxfordshire countryside
will be horrendous.

These are just a few of
the objections to this plan.

Why are we, the local
residents not consulted on
this matter.

As usual money wins out.

Yours faithfully
C.M. Ainger (Mrs)
