Dear Sir/Madam

I would like to strongly object the Great Wolf proposal. I have lived in Chesterton for most of my life, in which I feel safe and content. I used to go to the small school in Chesterton. Many parents allow their children to walk to school because they feel it is safe for them to do so. Building this resort will lead to 500,000 extra cars going through our village. In addition to this, parents will not feel comfortable letting their children be independent and walk to school.

This will be 60% bigger in floor space than Bicester Village and that is just not on!

Please don't allow this to make it through planning.

Yours faithfully
