Comments	<p>This development is too large for this area. We already have congested roads with Bicester Village and the ongoing building going on. It will decimate this area. the roads around the proposed development are small country roads and will not be able to cope with the traffic. This development is clearly tapping in to the BV customers where they can stay, bring their families etc. It is not for us mere mortals of Bicester. They may let us have passes if they have any room left but they are very expensive. Please dismiss this planning for the sake of local residents. There must be more viable areas around away from villages. I am not a NIMBY but this totally wrong</p>
