Dear Sir or Madam

I wish to object in every possible way to the plan to build a leisure park on the site of Chesterton Golf Club.

It is a completely inappropriate plan that should be refused as it will ruin a peaceful part of Oxfordshire, be a hugely damaging environmental development and cause huge traffic problems in the area. It will also destroy a beautiful and much loved golf club in Chesterton. This kind of development is not suited to the UK.

There is not a single thing to commend this plan so I hope you will turn it down.

Yours faithfully,

Fiona Teddy
