OBJECTION.

I would like to register my objection to the above being considered in the Chester area of Oxfordshire.

Various reasons.

The area chosen is completely unacceptable it will ruin a very popular Golf Course, the large hotel & built is out of keeping with the local countryside, extra traffic it will bring into the area, is quite unacceptable, the present roads cannot cope with the traffic let alone all the extra caused by this development. Bicester Town itself at present is being over built houses & warehouses, with inadequate roads no copy, the development will only make things worse.

Yours sincerely,
