Comments	<p>Dear Ms Whitehead Godington Parish Meeting objects to this planning application and fully supports Chesterton Parish Council in their objections. We believe it does not take into account the Local Development Plan policies and would have significant negative impacts to traffic on local roads in an area already struggling to cope with a massive increase due to recent and ongoing developments. It would be highly visible and intrusive in what is a pleasant, rural area and out of character with Chesterton village and have a significant negative effect on the quality of life of people living in Chesterton and surrounding area. There are no apparent benefits to the local area as guests are encouraged to stay onsite throughout their stay ensuring local businesses do not benefit from the massive influx of visitors.</p>
