Comments	<p>I would like to register my whole-hearted objection to this development. This development would take green space, which serves as wildlife habitat, and create yet another biodiversity wasteland. This development would ruin the village of Chesterton. It is completely inappropriate for the countryside/rural setting of Oxfordshire. It is unfair that villagers should have the nature of their village fundamentally changed for the profit of Great Wolf Lodge. Great Wolf Lodge has also underestimated the impact on traffic. Surrounding villages will be negatively impacted by GWL traffic, especially in scenarios when there are overflows from congestion on the A34 or the M40.</p>
