Address	<input type="text" value="7 High Meadow,Sibford Gower,Banbury,OX15 5SA"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="As a mum if three children I use this route for the school run daily nearly ever parent does which makes this roads very busy with family's and children that route will be done more than a few times a day!! I also would like to say that the school Route is not safe enough as it is!! Due to lack of pathways for everyone to get to school safe and due to the school buses and other transport up and down the road. This route gets use nearly all day for more than just school run we have the church and village hall also it's the main route to the shop and doctors surgery ... I strongly disagree to this planning application due to the fact that this is a very busy road the foot path is constantly use and very busy with pedestrians .. I think putting and extra access point to the farm is not a good idea this will put all the children and family's and other people majorly at risk as we struggle wit foot paths there we need to keeps this village safe .."/>
