Comments	<input type="text" value="Dear Sir or madam, Ref the planning application at Bicester Motion. They are slowly squeezing out the gliding club who have been there for years. With all the building going on around the perimeter it will be too dangerous to fly.....job done. When the racing cars come on to the site, it will be hell on earth with the amount of spectators cars going to the site. Bicester is being hemmed in on all sides with the disproportionate building going on. Please refuse this planning application.....enough is enough"/>
