Comments	<input type="text" value="The traffic flow at the moment on the ring road is awful so it will only get worse. To aim to be a top tourist attraction you need to have adequate traffic control and not disrupt the everyday lives of people living nearby. I for one have never visited or been interested in attending the events they hold so why should I be affected by it driving to and from my home? What do the people of Bicester benefit from this burden?"/>
