<b>Comments</b>	<input type="text" value="There are several issues with traffic around Bicester and this will only worsen them. Whenever Bicester Heritage have an event it is impossible for us to drive anywhere in Bicester. Our road, in Bure Park, is blocked because of the backlog of traffic. I used to live in Cavisfield and on events I couldn't even park my car as visitors for the Heritage Centre would park there and walk. There is already limited parking there but to not be able to park outside your own house is an absolute joke. Unless they are providing sufficient parking on site for the maximum expected number of visitors they should not be able to go ahead. Furthermore, Bicester Heritage is on the opposite side of Bicester to Bicester Village meaning on busy times the residents of Bicester will be trapped in Bicester because of the log of traffic. Therefore Bicester Heritage should build another entrance OUTSIDE of Bicester so residents can actually continue their routines without delays from more traffic from more tourists. Think of the impact for residents and not just the benefits of tourism. Bicester will suffer."/>
