Address	<input type="text" value="Sunrise Cottage,High Street,Charlton On Otmoor,Kidlington,OX5 2UQ"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="This planning application and what Bicester Motion intend to do will not only destroy the historic second world war airfield, it will impact on the local community and surrounding villages in terms of environment, traffic and noise and make life hell for everyone concerned. Because it means lots of building all around the edge of the flying field and Skimmingdish Lane to turn the site into an Events venue. Their overall plan will make any aviation very difficult if not impossible. They plan to use the airfield for a lot more events instead and are aiming to become one of the top 20 tourist attractions in the UK. To put that into perspective: if they were number 20 on that list they it will still bring in approx 4000 visitors EVERY DAY, 365 days of the year. No doubt most visitors would arrive by car and the infrastructure simply will not cope. Bicester roads will become totally clogged up and we will all have to suffer the noise and exhaust fumes but with no gain for the residents of the workforce in Bicester and surrounding areas. It's bad enough with traffic at the moment and the threat of the Expressway compounding it. The council must not approve this. It seems that commonsense has gone out of the window. It's pure greed on the part of Bicester Heritage. They have given notice to the gliding club to leave so we now know what their agenda has been all along. Please do not approve this planning."/>
