Comments	<input type="text" value="Significant increase in traffic on Skimmingdish Lane, particularly for residents coming out of Caversfield estate. Increased noise and air pollution to area. Increased traffic for Bicester as a whole as visitors will likely drive through town centre (Buckingham Road) from the M40 to get to Bicester Heritage site which is already busy to drive through. Issues with public road parking along Skimmingdish Lane (Caversfield end) as already has major congestion on event days at Bicester Heritage - including issues for Emergency Service access as previously an issue on Skimmingdish Lane heading into Brashfield estate."/>
