Comments	<input type="text" value="Due to increased traffic concerns with the area and the fact that skimmingdish lane directly outside my house turns into a car park for every event I feel the need to object. I can't see this getting and beetle with increased events. Also Bicester Motion wanting to restrict the long standing flying club, which has been there all my 42yrs in Bicester. This is completely unacceptable and is really the turning point for most residents as we love the club and seeing the gliders, planes and displays over the estate."/>
