Comments	<input type="text" value="I would like to say I have lived in Caversfield 34 years and with the Government wanting to reduce air pollution having cars racing round a track would add more pollution than a glider in the sky Bicester heritage has expanded quite a lot or ready, They should be thank full for what they have got . I would think twice before you give your final decision, The traffic is all ready getting bad coming out of Caversfield onto the Buckingham road and with the new old peoples home each end of skimmingdish lane [we all get old] would you like hearing cars racing round a track that is also noise pollution please think twice, Don't get tempted I know money talks"/>
