Comments	<input type="text" value="When we moved to caversfield it was peaceful and easy access with no traffic issues. Now this project wants the go ahead it will cause major headaches. There is no road infrastructure to accommodate all the traffic that it will bring. It will cause unnecessary noise and pollution and it may even cause the value of property to drop so how can this be positive for the area. Its totally unacceptable as no consideration for the residents has been taken into account"/>
