Comments	<input type="text" value="Concerns regarding the air and noise pollution due to the plans of building a race track at BH. How can we find out about their plans on opening times, days of the week once the attraction is open to the public? Skimmingdish Lane access to Brashfield Estate, the RAF Air Cadets and the Garden Quarter needs an alternative such as a mini roundabout. During rush hours traffic is bad enough, which will increase significantly once this touristic attraction is open. Is there any way to decrease speed limit around the area? How residents will be informed about the ongoing project and impacts on their lives please? Thank you."/>
