Comments	<input type="text" value="i object to the plans put forward by BH as the noise level will be intolerable , the traffic caused by visitors on skimmingdish Lane will make getting in and out of our estate nigh on impossible , leg alone ambulances getting to the old folks homes at both ends of this road , the wildlife and its habitat are being destroyed by greedy land owners wanting to build with no thought for the animals or there safety , the gliding club closing would be a big mistake as so many youngsters take the first step to going solo there and open a world of either gliding competitions/ instructing others when old enough or training to become a pilot in the future, also it has had scout groups and children from nearby schools visit to see what goes on behind the fences , Not everyone wants this huge change on our beautiful airfield keep our green spaces to"/>
