Comments	<input type="text" value="Since I moved into caversfield in 2012 it was a nice place to live but since they opened Bicester hereitage it has been an absolute nightmare when they have any functions on we have people parking anywhere they feel like and around our area on the roads become absolutely gridlocked so we do not go out because we cannot get back home if you do these buildings the problem will become 100% worse and people will think about moving away which will be a shame as we moved here because it was nice not a nightmare also it would be a shame to get rid of the gliding club as it's nice to watch the planes on a nice day instead of looking at traffic! So We strongly object to this proposal also the noise level is ridiculous"/>
