Comments	<input type="text" value="As a local resident VERY close to this project I am highly concerned about: The traffic, the pollution, the noise and the chaos it will create right on my doorstep. Also the mobs of tourists flooding in. This could be worse than Bicester Village. I am also concerned at the way the surrounding green areas are being torn apart and violently eroded, to make way for huge, grey, ugly industrial monstrosities. I did not pay hard - earned money for a house in a quiet area, to watch it then being encased in a hideous, stark concrete jungle. Furthermore, it will, I believe seriously hinder the use of the gliding centre. There is nothing for local residents to gain from this. We have had enough inflicted upon us already! Seriously thinking of selling up and moving away. This will be the final straw."/>
