Comments	<input type="text" value="I first flew at Bicester in 1972 as a member of the gliding club. The stealthy erosion of flying under the thinly veiled political spun fake news and lies is appalling. What Bicester Motion is doing is not conducive with the surrounding infrastructure. I work in Bicester 2.5 miles from home and some days it takes me 15 minutes to drive. The Sunday Scrambles bring misery and traffic chaos. Please stop this madness Cherwell to preserve your integrity and reputation. I often hear the council is bent and on the take from Bicester Village and Bicester Heritage and all House builders who change the terms of their planning permission to reduce environmental building standards once the build has started. Say No to this please."/>
