Comments	<input type="text" value="Good Morning, Without asking nor giving any information to the local community you've started work on the project. We are all ready feeling the repercussions of this with added traffic. A simple notice would of smoothed this out very easily. The airfield will be come a attraction regardless of my comment but can I ask that no track day should start before 0900 as the noise of racing cars is very disturbing not just for me but my young family and wife. Our pets also are not use to it and find it distressing but if it's set to be after hours of sleep (ie not from 0700) but a reasonable time of say Saturday 0800 till 1700, sunday 0900 till 1600 this would be great. Also offering the local community free entry to all events or say 3 free events of your choice a year would help with us buying in on the project. Regards, Lee Jordan"/>
