<b>Comments</b>	<input type="text" value="I'd like to strongly object to the development proposed as a frequent visitor to one of the lakes within the perimeter of the airfield. As an angler and syndicate member to this lake I fear it will mean I will lose the chance to fish this privately run natural lake forever! I also think that the use of the airfield by the gliding club would certainly decline if not cease taking away many people's interests. I can't even begin to imagine the impact of the increase of traffic these changes would bring to the historic town of Bicester. Please don't make this happen...."/>
