Comments	<input type="text" value="I think the plan to make Bicester heritage even larger is a bad idea, and I personally object. It is difficult as it is getting out onto the Buckingham road. It will be even more so if this application goes ahead. When these events take place the thought of sitting out in the garden in peace will be impossible. Even more worrying people will lose money on their properties. Buyers will be put off because of the proposed activities on this site."/>
