Comments	<input type="text" value="We are residents in the Caversfield area and enjoy the gliders in the sky To lose them would be unacceptable if replaced by noisy racing cars, and even more workshops and facilities than is already there Also the whole meaning of the word Bicester Heritage will die out if the gliding club, or any airfield event needs to be booked in advance It is one of the last of it's type in the country - and should be kept that way"/>
