Address	<input type="text" value="14 Woodcote Road,Caversfield,Bicester,OX27 8UB"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I object to this application on the grounds of the increase in traffic and pollution it will create. As a resident of Caversfield I already find it difficult to get in and out of the village when Sunday Scramble is in progress. Traffic of this level on a more regular basis is unacceptable. Lots of drivers stuck in that traffic take a short cut through the Southwold housing estate to reach the Buckingham road which is far from ideal for the residents on the short cut root. It is not only the air pollution that will increase in the village. Where my house is positioned the noise pollution will rise dramatically with a race track being built at Bicester Heritage. The noise of racing engines is not something I want to hear more frquently! I believe that the air field itself is very rare so should be kept as an working airfield. As the site name suggests, it is Bicesters Heritage after all."/>
