Subject: Bicester Airfield - Aviation assessment

Hi Rebekah

In a discussion with Bicester Motion today, we were advised that you had commissioned an aviation assessment on Bicester airfield. We understand that this was as a result of our questioning of the assessment provided with the FAST application.

We have used the experience and data available to us to put together our own assessment, a copy of which is attached.

We would be very happy to talk to your assessors or for you to pass on to them the attached.

We would, of course, be very happy to answer any queries you, or they, may have.

Kind Regards

Andrew Reid
