Comments	<input type="text" value="I am 60 years old and have lived at current address for 20 years, many changes have occurred on the Airfield and Bicester, most for the better over the years. It would be lovely to have an untouched airfield but progress must be made for the future. Jobs and revenue from visitors will happen and the proposed plan seems well thought out. Living here is noisy occasionally with race engines revving, the open days and track day experiences but not to excess. Let's move into the future with this plan. Andy G Beard"/>
