Comments	<p>Dear Mr Peckford, Along with a large majority of the village I fully support this project which is long overdue. The WFAC, via the Parish Council, have been very thorough in researching and designing this facility to meet the requirements of the various village sports and social activities in the village. I have read through the objections which have come mostly (as expected) from the residents who live close to the project. In my view there is no valid objection which justifies halting this facility. Most are objections "for the sake of objecting"; a remaining few can be satiated in the normal course of development. Adderbury has been left in the "dark ages" as far as sports and social facilities are concerned and the residents deserve to see this project come to fruition. Yours sincerely, Rick Atkinson Former Parish and District Councillor.</p>
