Comments	<input type="text" value="We are wholeheartedly in favour of this application and fully support it. This application for a sports and community centre is exactly what the village needs. The current community facilities are out of date and not fit for purpose. This centre will be a fantastic asset for all ages to come together in a safe and cohesive environment to enjoy a number of activities as a community. We won't need to drive to neighbouring towns and villages to take our children to sporting activities when we have one in our village. The facility will benefit the whole village."/>
